Web site: [www.profilplast.hu](http://www.profilplast.hu)

Subject of declaration:

### FOAM+SOFT PVC PROFILES

Date of manufacture: 2011

The product specified above complies with the requirements of the following documents:

Integrated controlling documentation system -ver.: 6.0. – date of issue: 26.11.2010 – issued on the basis of the standards MSZ EN ISO 9001:2009 and MSZ EN ISO 14001:2005 (certified since: 05.12.2005 by FERRCERT Tanúsító és Ellenőrző Kft.).

Act LXXVIII. of 1997 about Constructions, and the unified BM-GKM-KvVM order 3/2003. (I. 25.) about the detailed rules of technical requirements, certifications of conformity, marketing and use of construction products, on the basis of the directive 89/106/EEC of the Council of the European Communities about certifications of conformity and directive 93/68/EEC (“Construction Product Directive” – CPD) amending it.

The Technical Approval for Construction Products A-287/2006 (TACP, in force since 31.12.2011)

Further information:

The whole manufacturing process was done according to the regulations of our controlling system, in monitored quality. Monitoring was performed according to the current description of quality control procedures ME-04.

Store only in horizontal position, on an even surface, protected from sunlight, between 0-25 C. Customer-installable, though it is recommended that the product is installed by an expert. An installation guide is available for download at [www.profilplast.hu](http://www.profilplast.hu). We offer a 1-year warranty for the product. The product does not pose risks for the health and safety of customers. Material: PVC, free of lead.

Avoid using sharp/hard objects with the product, as it may cause permanent damage to the surface. Clean only with soft sponge or cloth, using only thin household detergent solution.

The certificate of conformity is valid until withdrawal.
